Subject: address on Bill's Lake

I have a residence on Bills LaKe road in Lac du Flambeau and the last few years our address was changed from 1806 Bills Lake Road to 1 810 Bills Lake Road. I call the Vilas County address person and they told me they had no record of the change, but someone had come out to change our sign which is green in color with the address. It was changed to 1810. Vilas County told me I must have choose to keep either 1806 or 1810 and stick with this address I choose. So I decided to stay with the address 1806 as the title, deed, etc are under this address. How do I get that changed with the town and get a new green address plate to put on the property.

Thank you
